# Council Looks at Request for Rezoning One Final Tract at Capital Office Park

by Virginia Beauchamp

A special work session of city council, called to consider a request for rezoning of a 16-acre parcel in the Capital Office Park, raised more questions than it answered, ending in a request to the representative of the developers for still another meeting. The work session, held on June 24, followed a special meeting of the city council on end-of-the-fiscal year housekeeping matters.

After the official meeting in the council chamber, the five members of council adjourned to the library to meet with Nancy L. Slepicka, lawyer for the developers. Capital Office Park is the complex of highrise buildings along the Beltway north of Springhill Lake and south and west of the city cemetery. Four buildings have been completed-three in parallel position along the Beltway and one at the intersection of Kenilworth Ave. and Ivy Lane. Two more, directly to the west of the cemetery, are currently being developed.

Slepicka was present to listen studies and plans for signage,

residents of Greenbelt to seek volunteers to work on the

production of the paper and to seek financial reserves. That

evening a committee was formed and a chairman designa-

ted. Months of weekly organizing meetings were held by

the Friends of the Greenbelt News Review, and the month

On March 20, 1985 the idea was formed to solicit the

to council's concerns considering a request for rezoning of the last available parcel in the tract. This is a triangular piece of slightly more than 16 acres located at the end of Ivy Lane, where it will eventually meet Cherrywood Lane extended. (According to future plans, Cherrywood will be carried by bridge over the Beltway and will intersect Kenilworth Ave. just morth of the SHA sallt dome.) The base of the triangle in question will lie along Cherrywood Lane. The developer requests a change in zoning from R-18 (medium density residential) to C-O (commercial office).

Both the city's Advisory Planning Board and the Parks and Recreation Advisory Board approved the change, though both would like to see plans for development of recreational facilities in the area. Much of the tract is a flood plain. Keith Chernikoff, chairman of PRAB, commented that they are thinking only of "passive sitting areas" and hiker-biker trails to connect with those being developed elsewhere in the city

Council members asked numerous questions concerning site plan

Davis, and Ann Pisano.

all of which Slepicka said were premature. At this point the developers do not know whether they would construct one building or two, or even three. They are thinking of developing a heliport on one of the buildings, she said. Nor do they have a time frame as yet in which specific planning would occur; much would depend on the state of the future real estate market, she commented.

Neventheless, she had with her a colored flyer with an artist's rendering of buildings on the entire complex, including the tract in question. Councilmember Toni Bram was particularly excercised that nowhere on the drawing did the name Greenbelt appear. The only description of location was Beltway exit 23.

Councilmember Tom White, apparently giving expression to the concerns of all the council, said. 'I consider this the last rezoning for this project. Sign plans and site plans are still unresolved. We would like the applicant's support (before giving the okay to the rezoning petition) that these are not unreasonable condi-

# Former Police Lieutenant Krob **Gets Cash Settlement from City**

by Virginia Beauchamp

At a special city council meeting on June 24, council ended a longstanding personnel matter concerning a former police officer John C. Krob. Council action took the form of passing a resolution to transfer funds in order to make a payment of \$27,500 to Krob — an amount negotiated between Krob's attorney, Benjamin R. Wolman, and city attorney Emmett Nanna.

In March 1983 a police review board found Krob guilty of 13 charges of violating Greenbelt city rules, regulations, and policies and ordered his dismissal. board found that Krob brought the Greenbelt Police Department into disrepute when, on two occasions, he sold weapons which he had removed from the department and represented as his own. He was also found guilty of making untruthful statements, removing and tampering with property and evidence and failing to observe the law.

Krob appealed the decision to the Prince Georges Circuit Court. which remanded the question of appropriate punishment to the review board for reconsideration. The police board, in a letter to the city last September, again unanimously recommended dismissal. Greenbelt Chief of Police Francis T. Hutson took that recommendation and gave Krob final notice that the original dismissal of March 29, 1983, was being reaffirmed.

Krob appealed for a second time and on March 11, 1985, Cir-

## Riders Needed on R11, 15

by Karan True

On June 27, riders of the R11 and R15 express buses to the New Carrollton Metro Station were ecstatic to hear that the County, being responsive to their needs, had granted a 6-month 'stay-of-execution.' Both routes had been destined to be drastically curtailed because of low ridership through an admitted lack of public awareness. With the whole-hearted support of the Greenbelt City Council, potential riders have six months in which to prove that, with some publicity, the two routes will be patronized by enough people to make them viable.

Those currently riding either the T16 or the R12 in order to get to New Carrollton or are driving, either to New Carrollton or all the way downtown but would rather take the bus, should consider this option: The R15 leaves Roosevelt Center at 6:35, 7:05, 7:35 and 8:05 a.m. daily. It leaves New Carrollton (Rte. 50 side) at 4:45, 5:15, 5:45 and 6:15 p.m. daily. The R11 leaves Edmonston and Greenbelt Roads at 6:20, 6:50, 7:20 and 7:50 a.m. daily and leaves New Carrollton at 4:30, 5, 5:30, and 6 p.m. daily. The trip takes 20-25 minutes.

cuit Court Judge G. R. Hovey Johnson ordered the dismissal reversed on the grounds that the dismissal decision was "arbitrary and capricious." The judge remanded the case to Greenbelt's Chief of Police "for further action not inconsistent" with the court's order.

Both sides gave notice to the court that they would appeal various portions of the Judge's order. At a pre-hearing conference at the Court of Special Appeals in April, the court explored with both parties the possibility of settling out of court. The negotiations that followed were success-

#### Parties Settle

As part of the settlement between Krob and the city, Krob will be allowed to keep \$3,998 in unemployment compensation he received from the state of Maryland. (Though paid by the state,

See KROB, page 5, col. 1

#### **Bus Service Expands**

The Greenbelt Connection the city's intracity bus system, will begin providing expanded service on a fixed route on July 16. The fixed route will extend from one end of Greenbelt to the other. Stops will be at METRO stops and street corners on the route and there will be stops in Beltway Plaza, Greenway Center and Cipriano Square Shopping Center. (See map elsewhere in this

This service will be provided Tuesdays through Sundays. Operating hours and schedules will be available next week.

Dial-a-ride service will continue to operate to serve persons who cannot get to the nearest stop on the route.

Route and fare information can be obtained by calling 474-4100 or 474-8000.

#### WHAT GOES ON

Thursday, July 4, 7 p.m. Band Concert followed by fireworks at dusk, Lake Park.

Sunday, July 7, 7 p.m. Rosebud Ragtime Ensemble, Lake Park.

Monday, July 8, 9:30 - 11 a.m. In-person registration for Children's daily classes.

Thursday, July 11, 8 p.m. GHI Board Meeting, Hamilton Pl.

# June Drive for News Review Extended

Several city residents supporting this month's volunteer and fund drive represent the News

visit to the News Review office, computerization has become the norm for many newspapers. For a reporter, access to a main frame computer's data base can speed research, composition, editing and formatting of articles. For the News Review drive, the use of several personal home computers has facilitated many of the tasks involved in an effort of this

#### **Too Much Trash**

To the Editor:

What has happened to clear water?

There are many visitors who come to Maryland and I am one of them.

Greenbelt Lake, at "Buddy" Attick Park has a lot of trash in it. There are car seats, beer cans, tires, tennis balls, soda cans, and a lot of other trash. vegetation and scum.

There is too much trash to fish in it and the fish will become poisoned. The ducks will eat the fish and they will die.

Please clean the lake up! Don't pollute the waters! Save your natural wildlife! I love Greenbelt!

I am visiting my grandparents again. Every year I notice, that the lake just gets trashier and trashier.

Diana Lee Couchman (Age 10)

(Editor's Note: A boat with city employees was observed last weekend in the bay area, scooping up algae and trash to haul away in a truck.)

#### SENIOR SOFTBALL TEAM

by Mike Burchick

Senior Softball Team trounced Forest Glen's seniors 11-3 at Braden Field on June 26. The footwork displayed by Greenbelt's team was dazzling, particularly when Greenbelt's second baseman kicked a grounder to the shortstop, who in turn covered second to make an out for the unfortunate Forest Glen team. Fog descended even more on Forest Glen when Greenbelt's Jerry Conway hit a homer with two on

Every member of the Greenbelt team contributed to the victory. Seniors — both men and women -who wish to play will find the team practicing on Braden Field at 9:30 Monday mornings.

### **ADELPHIANS STAGE** PLAY AT UTOPIA

"Same Time Next Year," a play about star-crossed lovers, comes to the Utopia Theater on Friday and Saturday, July 12 and 13. beginning at 8:15 p.m.

The Adelphians Community Theatre is presenting two performances to help raise funds for future productions. The community drama group is beginning its 26th year as a local theatrical entity.

Directed by Jo-Anne Jones (who also appears in the play), the Bernard Slade drama stars Ed and Linda Payne. Ed is an actorsinger who has appeared in numerous stage and dinner theater plays. Linda is a long-time working member of Prince Georges Little Theater and on its board of directors.

#### Police Blotter

Based on Information Released by the Greenbelt Police Department

On June 23 at 10 p.m. a strongarm robbery was reported at the Beltway Plaza. Three non-resident, adult males and one juvenile were arrested. The adults were incarcerated in lieu of bond; the juvenile was transported to the juvenile facility in Cheltenham, Md. The arrests were made by Cpl. David R. Kress, Pfc. Timothy F. Hahn and Officer Troy D. Harding.

On June 24 an automobile stolen earlier from Hyattsville was recovered in the parking lot of an apartment complex on Hanover Pkwy.

On a citizen's tip, Officer Patrick McAndrew arrested a nonresident for removing the rear license tag from a Maryland State Police unit. The incident occurred on Hanover Parkway in the early hours of June 23.

From June 21-23, bicycles were reported stolen from the 5 Court of Laurel Hill, Greentree Place, Lastner Lane, and the 51 Court of Ridge Road. The police department urges residents to register all bicycles at the police department. Registration makes it easier to return bicycles when

# Saturday Morning Movies For Children at Utopia

Movies are back at the Utopia Theater.

Every Saturday morning for five weeks, beginning July 6, the Greenbelt Arts Center will present a Walt Disney film. This Saturday's film, "The Sword in the Stone," begins at 10 a.m. Designed primarily for the many children who may not have other plans for Saturday mornings during the summer, the film series is open to everyone. A donation to the Greenbelt Arts Center is required (see ad elsewhere in this paper). Popcorn and soft drinks will be for sale.

Made possible by a grant from the City of Greenbelt, the films provide recreation in a central location within walking distance of most neighborhoods. For a listing of other films, see ad.

### Richard Castaldi Named "Legislator of the Year"

Prince Georges County Councilman Richard J. Castaldi, 4th District, has been named "Legislator of the Year" by the Prince Georges County Municipal Association. He received the honor because of his efforts to keep municipalities advised on legislation affecting them.

The award was presented at the Maryland Municipal League's annual convention held recently in Ocean City.

Castaldi, who represents the Greenbelt-Bowie area, is serving his first four-year term on the County Council after being on the professional staff of the

Maryland-National Capital Park

and Planning Commission for 20

recovery is made. Applications for registration can be obtained from the police dispatcher.

On June 21, Officer Clifton H. Northam arrested a non-resident for shoplifting at Best's in Beltway Plaza. The same man had been arrested for the same offense last week and barred from the premises.

Malicious destruction to a vehicle parked in a lot in the 9100 block of Edmonston Road was reported at 10:16 a.m. on June 25. All four tires had been flattened by breaking the valve stems.

Radios were stolen from a car in the 6900 block of Hanover Pkwy, The theft was reported about midnight on June 20.

# To Your Smile

Ray Vidal, D.D.S.

Hew does diet affect dental
health?

Most people do not have proper eating habits. As a rule we tend to eat more food than we actually need, mostly as non-nutritious sugar-rich snacks. The high sugar content is directly responsible for causing both tooth decay and periodontal disease by combining with plaque on the teeth. In addition, a poor diet does not provide the nutrients to maintain the health of the gum and bone which surround and support the teeth.

To insure good dental health and provide adequate nutrition for your entire body, your daily meals should contain balanced amounts from four basic food groups: "vegetables and fruits", "bread and cere-"milk and dairy products", and "meat and fish" properly balanced diet will meet all your nutritional requirements plus decrease the urge to snack. You should consult your dentist or physician to determine the appropriate amounts from each food group for your specific needs.

computer. Other applications are less obvious. The Friends of the News Review decided early on that solicitation of area merchants would be an important aspect of the fund-raising campaign. After considerable research, a list of nearly 500 local businesses and their current managers was compiled in a data base program. Special coding differentiated current News Review advertisers from other merchants. The names and addresses were then transferred to a sophisticated word processor and each business sent a personalized, professional-looking letter. The same list is be-

### Swim Team News

by Tom Jones

Greenbelt started the official meet season last Saturday with a splash as they swamped Gateway Park, 306-175. Greenbelt's main advantage was a larger number of swimmers in each event. Triple winners (scoring 15 points) were Craig Dies, Eric Jorgensen, and Lynda Blue. Other point scorers included: Kathy Barwick, Weston VanWambeke, and Carolyn Drake (13 points); John Pryce (12); Josh Kepler, Jenny Drake, Deni Weaver, Steffan Sonneveldt, and Margarett Williamson (11); Billy Barwick and Allison Low (10); Terry Flannigan (9); and Oren Stern and Robbie Reed (8). Margaret Williamson broke a team record in the 15-18 Girls Breastroke, with a time of 42.67, beating the previous record by .6 seconds. Craig Dies broke the team and pool records in 15-18 Boys Butterfly, with a time of 28.06. .02 seconds faster than the previous records.

Next Saturday morning, Greenbelt has a meet at Oxon Hill. The meet begins at 9 a.m.; swimmers and officials should meet in the Greenbelt pool parking lot between 7 and 7:15.

Greenbelt still needs swimmers. Anyone who can swim across the pool and wants to be on the team, come to the pool at 7 a.m. on a weekday. ing used to track responses. Businesses supporting the drive also receive a special thank-you letter generated by the personal computer's word processing program.

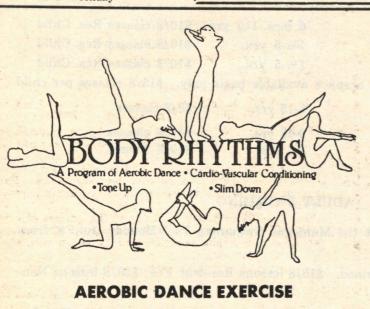

Happiness is a full post office box. That means new volunteers and donations responding to our appeal. Such a volume of activity poses tracking problems, however. Care must be taken that all contributions are accounted for and properly deposited. Every receipt is entered into a computer-based ledger. The program readily displays daily and overall dollar totals and numbers of contributors.

People willing to work are the News Review's most important resource, so extra care is being taken to assure that not one of our new volunteers falls through the cracks. Alex Barnes, a Lake-side resident, has offered to maintain on his home computer a list of all those who have contacted us during the drive. Alex notes that quite a few Greenbelt residents now have their own computers at home.

Many local organizations can be expected to use computers to support their activities in the future, if they're not doing so already. What's next for the News Review? Stopping by the office one day to find Mary Halford keeping the paper's books with a computer and electronic spreadsheet program is not beyond contemplation. It definitely would be surprising to find reporters, editors and typists busily at work in front of video display terminals-but it certainly would be nice!

# Employment for Seniors In Health Care Field

The Prince Georges Chapter of the American Red Cross is sponsoring two new sessions of its Senior to Senior program, which helps older people prepare for and secure employment in the health field.

The program, established by a grant to the Prince Georges Chapter Red Cross Nursing and Health services from the Maryland Office on Aging, utilizes funds from the federally funded Job Training Partnership Act (JTPA).

Working in cooperation with the Area Agency on Aging, the Red Cross will provide pre-employment information, healthrelated skills, on-the-job experience and job placement. Eligible participants may receive stipends to help meet transportation and lunch expenses.

Classes will be held at the branch office in Camp Springs beginning July 11. The classes last from 9 a.m. till 3 p.m.

To register, or for more information call the Prince Georges Red Cross at 449-3400.

#### CARES

The summer session of the G.E.D. class began this week with six participants, ranging in age from 16 to 26 years old. There are still a few remaining seats available. For further information contact Johnnie Franklin.

# **GREENBELT CONNECTION**

Greenbelt's intra city bus system, the Greenbelt Connection, will be expanding its service Tuesday, July 16 to better serve the Greenbelt community. Starting July 16, service will be provided Tuesdays through Sundays on a fixed route basis, providing bus service from one end of Greenbelt to the other.

Stops will be at METRO stops and street corners along the route, and selected spots in Beltway Plaza, Greenway Center and Cipriano Square Shopping Center.

Limited dial-a-ride service will continue to be available. Persons unable to get to the nearest bus stop will be able to call the Transportation office to get dial-a-ride service on the fixed route schedule.

Fares for the fixed route service are:

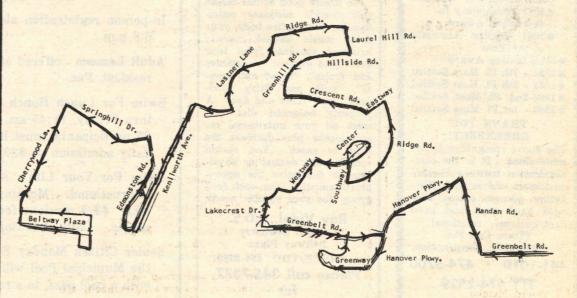

Child (under 6 years of age—accompanied by adult)	FREE
Youth - 6 years to 18 years of age	\$0.25
Adult - 19 years to 61 years of age	.50
Senior Cititzens - 62 years or over	.25

Operating hours and schedules will be available next week.

Questions about the new service - Call 474-4100 or 474-8000.

Come on out — Give us a try!

Bus route:

#### KROB cont'd from page 1

the amount is reimbursable by the city. The city had contended that Krob, since he was fired, was not entitled to such compensation.) On the other hand, Krob concedes that the monetary settlement confirms his termination from employment (He had requested reinstatement.)

The city resolution was passed four to one, with councilmember Tom White voting no. White did not disagree with the substance of the resolution, but with the procedures under which it was passed. Under council rules, actions considered of a routine nature (such as housekeeping functions like transfer of funds from one department to another or commendatory resolutions), council may suspend the usual rules calling for two readings of a motion, at two consecutive council meetings. Instead, both readings occur at the same meeting.

On a motion by councilmember Ed Putens, council considered suspending the rules on this resolu-White, however, strongly opposed the action because citizens would not have an opportunity to respond. Discussion brought out the circumstance that if the resolution was not passed that evening, the money would have to be paid out of the budget for the following fiscal year, since the next council meeting will not be held till July 15. That fact would require that a new resolution would have to be introduced for first reading on that date.

Councliman Dick Pilski argued that the matter had been negotiated through a court process and that such a financial matter should be settled expeditiously. Councilmember Toni Bram while concerned by the lack of public notice that the item would be on the agenda nevertheless voted for the motion to suspend the rules and for the substance of the resolution, which had already been agreed to in a council work session.

#### **MVA Cuts Commercial Lists**

Beginning July 1, the Maryland Motor Vehicle Administration is deleting from lists purchased by private businesses the names and addresses of motorists who request in writing that their names be removed.

Motorists who wish to have their names removed from commercial lists should submi ta brief statement requesting that one's name be deleted from commercial lists accompanied by the driver's full name, date of birth, and driver's license number (soundex number) to List Deletion, c/o MVA, 6601 Ritchie Highway. Glen Burnie, Maryland 21062.

GHI BOARD MEETING

- 2. Approval of Membership Applications
- 3. Visitors and members
- 4. Committees
- 5. Manager
- a. Larger townhomes loan applications
- 6. President
- 7. Board Members

# **Annual Meeting Held** At Windsor Green

by Linda Miller

On Wednesday, June 26, members of the Windsor Green Homeowner's Association elected Ed Schilling to its board at the annual meeting. The election was made necessary when director, Ed Putens, after eight years of service on the Board, chose not to seek reelection. In a letter to the Windsor Green Homeowner's Putens said, "Several years ago I was contemplating resignation from the board, but I pledged I would not do so until two final commitments to the homeowners were complete: 1) the Windsor Green Community Center and 2) the traffic light at Mandan and Greenbelt Roads."

With only one candidate seeking the position on the board. Ed Schillings was elected by voice vote to serve a two year term. He will serve on the board with the present board member, Tom Malone, who just completed the first year of his two year term. The remaining three seats are held by the developer, U.S. Home.

Committee reports were given and Cable TV. lighting in the courts, pool management, and road conditions throughout the newer sections were addressed.

The homeowners are planning a party in July to honor Putens' service to the community.

COUNCIL cont'd from page 1 up a meeting for council with the developers prior to a scheduled meeting before the county's Zoning Hearing Examiner on July The next regular meeting of the city council is July 15. when council is expected to make a recommendation concerning the zoning petition. Both parties agreed to try to set up a conference before that date, probably on July 11.

#### Position Reclassificatin

In the special council meeting preceding the work session, council, at city manager Jim Giese's request, approved a recommendation to reclassify the position of Communications Specialist within the police department. Previously classified at the same grade as an Office Assistant I, the Communications Specialist, the dispatcher, has a far more exacting job, Giese said. The position requires rotating shift work and extensive on the job training, and the incumbent must "handle multiple telephone lines, the police radio, and the lobby window as well as the police computer at the same time." More importthe same time." antly, Giese said, this employe must be able to distinguish correctly "between emergency and nonemergency needs and accurately obtain and transmit infor-mation."

Both the chief of police and the Public Administration Service recommended reclassifying the position two grades higher, which would make Greenbelt competitive with other jurisdictions in the area. Presently at \$13,062-it pays less than all but Hyattsville, at \$12,003. For comparison, Mont-

CONSIDERING A CHANGE IN RESIDENCE?

#### There are three key elements to consider:

- Your needs: things you positively have to have.
- B) Your wants: things you'd like to have, but don't necessarily need.
- C). Your qualifications:
  - 1) Your initial investment (ash to move in)
  - 2) Your total income (gross yearly income)
  - 3) Your debt service (total indebtedness)
- I would like the opportunity to discuss with you how we can combine these three factors to assist you and your family in achieving your housing goals both within Greenbelt and the metropolitan area - of course with no obligation.

# GHI Okays Sidewalk Easement

by Mavis Fletcher

At its meeting on June 20, the board of directors of Greenbelt Homes, Inc., granted an easement to the City of Greenbelt for installation of sidewalks from the 8 Court of Ridge Road through the 7 Court of Crescent. The board added a recommendation that the city endeavor to minimize the impact of these improvements on the yards of the homes next to the street. .

Members who expressed opinions to the board divided on the issue. Those whose yards will be affected were understandably opposed to the sidewalks. Others cited the traffic danger to people walking and children playing in the street as reason to support them. Director Ray McCawley pointed out that granting the easement is not the last of the matter; he advised members to contact city officials to make sure that their concerns are addres-

#### 11 Court Ridge Rd. Parking

The board also heard both sides of a dispute over parking in the 11 Court of Ridge Road. Michael Prosise, Chairman of the Build-ings and Grounds Committee recommended that the parking classification be changed from "reserved" to 'restricted" since too few parking spaces are available to assign one to each resident. The reserved designation was made possible by a 1979 board decision which, as an exception, allowed garages to be counted as parking spaces, thus making it possible for each resident to have a reserved space.

Some court members had suggested carving four additional parking spaces out of green space, thereby bringing the number of spaces to the required minimum for reserved parking. Audit Committee member Andrea Haslinger, however, maintained that the present parking designation would work satisfactorily if visitor spaces were clearly marked so that visitors did not park in reserved spaces. On a unanimous vote, the board ordered that the court be polled to see if the residents want the parking classification changed.

SLSC Audit Report

The board also received the financial statement of the Share Loan Service Corporation for the period from its founding in July 1984 through the end of the year. The balance sheet for the first six months operation showed a loss of about \$56,000. As General Manager Ron Colton ex-plained, this sum is actually a "paper loss" resulting from the accounting method used. He stated that, on a cash basis of accounting, the financial statement would actually have shown a \$120,000 surplus and that, in fact, the corporation is "operating in the black."

GHI owns 2/5 of the voting stock in SLSC; another 2/5 is owned by the National Cooperative Bank. At the time the financial statement was prepared, the remaining stock was owned by an NCB subsidiary, CMB Funding. That stock has since been transferred to the Cooperative League of the USA.

Colton also announced that

#### Largo 10 Year Reunion To Be Held August 2 and 3

The Largo High School Class of 1975 will hold its 10-year reunion on Friday, August 2 at the Ft. Meade Officers' Club in Ft. Meade. The dinner-dance will begin at 7 p.m. A family picnic will be held August 3 at Allen Pond, Bowie at noon. For information and fees call 249-3392 or 249-1918. The class extends this invitation to any Largo graduate regardless of class.

SLSC sold \$600,000 in share loans on GHI homes to the Federal National Mortgage Association (Fannie Mae). This sale marks the first time GHI share loans have been sold in the secondary market. The long-sought access to this market is considered important in insuring a supply of mortgage funds to make new

#### Trim Paint

Under the suspension of the rules, the board passed for first and second reading, a motion letting a contract to paint the trim on the frame homes. The contract was awarded to Sunshine Decorators for a price not to exceed \$16,500.

The board also decided to authorize installation of copper gutters on the mineral-sided homes since these homes have slate roofs like the brick homes on which copper gutters have already been installed.

The next meeting of the board of directors will be held on July

# OF IN-HOME COLOR TV/VCR SERVICE 565-0001

I provide in-home service in this neighborhood 3 days each week as well as some evenings and weekends. I'm bonded, licensed and top rated for over 25 years. You can count on my estimates and prompt fair service. I always call before visiting, carry more than 5 times the normal inventory of parts, and can (almost) always repair your Color TV IN YOUR HOME, ON ONE TRIP. I repair HI FI'S and VCR's also. I buy broken color Zenith portables. Call with model and chassis no's, from back of set.

Thanks for reading my AD. Please save it.

# Adopt-a-Tree Program Begins New for October 15 Festival

by Mike Burchick

One of the projects of the 50th Anniversary Committee of the City of Greenbelt is "ADOPT-A-TREE." The project is currently underway and will continue into the fall of 1987, the 50th anniversary date.

Greenbelt was turned over on October 12, 1935. To commemorate this event as part of the 50th anniversary celebration, and as a kick-off for the "ADOPT-A-TREE" project, a commemorative tree will be planted in the Lake area this fall on Sunday, October 13, Plans are underway to make this day a festive occasion featuring a concert, family picnic, sports events, prizes, and speakers for the dedication and celebration.

Varieties of trees suggested for planting are pin oak, northern oak, willow oak, L.L. Linden, red maple, sugar maple, Bradford pear, flowering crab, dogwood, and Yoshino cherry. These trees were recommended by the University of Maryland Co-op Extension Service, the Department of Public Works of Prince Georges County, and the Maryland State Forest Service.

The trees are balled-burlapped and/or container grown. An application for the "ADOPT-A-TREE" is provided elsewhere on this page. Since trees are best planted in the fall and spring, donations are needed months a-

#### CITY NOTES

The general crew worked on Northway Road between Ridge Road and the ball field correcting the drainage and building the pedestrian path. Curb and gutters in the Boxwood section were filled with black top and black dirt. All defective curbs and gutters have been replaced in the areas scheduled for street resurfacing.

The refuse collection and special trash are reasonably on schedule.

Summer employees on the parks crew are cutting grass and maintaining the ball fields throughout the city and have completed planting of the annuals.

The Parks Crew cleaned debris from the surface of the lake in the area of the bay. They also cut grass at ballfields and parks and along roadsides.

GREENBELT

The first shovel of dirt for head of time. Trees donated for reembelt was turned over on Oc- city property will be planted by the city and those on private property by the donor.

Sites for planting are all over Greenbelt, including parks, commercial areas and throughout the neighborhoods. Donors may also purchase and plant their own trees on their private property. The committee will select the tree and site of planting if requested by the donor. Individuals, groups, clubs, churches, and organizations are encouraged to become involved in the project. Names of all donors and memorials will be kept on display in the new Greenbelt Museum.

Applications for trees are also available from the City office, Coop Supermarket and the following "ADOPT-A-TREE" sub-committee members: George Smith, Director of Public Works; Bob Greig of PRAB; Don Wolfe, Secretary; Jerry Conway, Treas.; (474-6433) and Mike Burchick, chairman (474-6587). City Manager, Jim Giese has agreed to act as consultant.

#### Daniels, Dolan Win **Lake Runs Saturday**

Greenbelters won the male and female portion of the Prince Georges Running Club 10 kilometer (6.2) mile run around Greenbelt Lake on Saturday, June 29. Steve Daniels was the overall winner in 36:18, leading 51 finishers and two race walkers. Sharon Harrison won the female section in 45:47. Bill Wooden of Silver Spring was second in 37:01. Other Greenbelters were: Geoff Baker, 7th in 40:35, Sid Conger, 22nd in 45:23 and Jim Shaffer 26th, in 48:10. The racewalkers finished in 1:15:45.

It is almost five times around the lake for 6.2 miles but it is 299 yards too much. The start, going clockwise, is close to the end of the dam near the bridge, with the finish at the pair of markers near the refreshment stand, 434 laps later. An early start at 8 a.m. was necessary to avoid too much heat.

Bob Dolan, also from Greenbelt, won the mile in 5:49.7.
